

Lessons from the Pandemic:
Implementing Systemic Changes in Counseling and Student Services
A CLP Webinar Series

Social Justice Learning Communities: Lessons from Equity Leaders

September 29, 2021

Resources

Technology

[Teachers Excellence Network \(TEN\)](#) is a platform that helps teachers digitally connect with students and families to improve their teaching and effectiveness.

Publications

Santa Rosa College

[GP Story](#) on how Santa Rosa Junior College built its Student Success Programs.

[GP Redesign Example](#) on how Santa Rosa Junior College student counselors are trained to support incoming students. Student counselors gain valuable experience and incoming students feel more at ease and supported during their first year in college.

Skyline College

[GP Redesign Example](#) on how Skyline College has had great success replicating the revolutionary CUNY ASAP program, a first-year support program.

[GP Redesign Example](#) on how Skyline College created more personalized support services by developing different counseling protocols for students who need varying levels of support.

Other

[Guide for gender pronoun use](#) from the Palomar Pride Center.

Via focus groups, East Los Angeles College and El Camino College explored the question: Are there successful strategies in learning communities for meeting student needs that may inform a guided pathways framework? To read about the process and findings, check out [From Voice to Action: Putting Students at the Center of College Redesign](#) page on the CLP website.

[GP Design Guide](#) on Integrating Student Support.

For more GP Stories including several on integrating student supports in Guided Pathways redesign, click [here](#).

[Speaker biographies](#).

Community of Practice

Join the [California Counseling Network](#), a community of practice for counselors and student support staff.
