

Agenda: Pathway Mapping

Location, Room Number

Date, Time

Outcomes:

1. Develop a shared understanding of current and desired K14/16 pathway elements
2. Map current pathway program and identify gaps and priority areas
3. Understand purpose and uses of pathway maps and programs of study

#	TOPIC	PROCESS	TIME
1	Introduction/Updates	<ul style="list-style-type: none">• Welcome• Round robin of names, school/college, position	30 min
2	Pathway Mapping and Program of Study Introduction	<ul style="list-style-type: none">• Why? Removing barriers to our students' success• Introduction to key pathway elements, program of study, and Rapid Mapping• Review mapping prompting questions	30 min
3	Initial Mapping, updating of what is in place and aspirations for next year	<ul style="list-style-type: none">• Use post-it's to fill in the K-16 pathway outlines and edit missing or outdated information.• Highlight key pathway elements (curriculum, bridges, boot camps, early college credit, student supports, project and work-based learning, capstones, etc.)• Aspirations for the year: Use Sticker/Star additional courses, WBL, and projects/student support services that your institution aspires to implement over the next year• Share out and questions	30 min
4	Share Out, Discussion and Priorities	<ul style="list-style-type: none">• 5 minutes for each program to share out and describe their program.• 2 minutes for questions on each program.• Identify strengths, gaps and opportunities• Identify priority areas for development	50 min
5	Why Pathway Mapping? And, What Next?	<ul style="list-style-type: none">• Review the purpose of mapping and program of study and review key pathway elements focusing on greater structure• Discuss how map can be used and further developed• Determine what information is still needed to complete this draft map• Begin development of action plans or identify next steps	25 min
6	Wrap-up and Closing	<ul style="list-style-type: none">• Debrief/Feedback• Closing	25 min
