Webinar Series Snapshot

Sep. 15th — Successful Student Entry: Addressing & Supporting Student Needs

Sep. 29th — Social Justice Learning Communities: Lessons from Equity Leaders

Oct. 13th — Meeting Human Needs: Exercising Equity in Support Services

Oct. 27th — Serving Undocumented Students Equitably

Nov. 10th — Making Careers Happen

Dec. 1st — Building Technology with Students at the Center

Purpose of Roundtable Series

- Facilitate observable changes in counseling and student service delivery practice to support students in reaching their goals of certificate, degree, transfer and/or employment more quickly.

- Engage in student-centered exchange with focus on strategies that improve student retention.

- Building on lessons and innovations from the pandemic, share student-centered policy and structural changes colleges are making to improve counseling and student support services.

This webinar is part of a series produced by Career Ladders Project with funding from the California Community Colleges Chancellor's Office.

CLP | Career Ladders Project

Building Technology with Students at the Center

Goals for this session:

- Highlight challenges and successes as colleges move to providing support services in an online environment.
- Identify technological advancements, platforms and initiatives that streamline delivery of support services.
- Using technology to create equitable counseling support.
